

GERMAN LEADERS MAKE NO PROGRESS

REACH NO DECISION IN DISCUSSION OF ALLIED ULTIMATUM

Some of Them Are Opposed to Yielding to the Demands of the Entente—Others Oppose Any New Cabinet That Would Accept the Reparations Demands of the Allies

BERLIN, May 7.—The Reichstag leaders admitted tonight that no progress had been made in the direction of solving the present crisis. This announcement was made after a day crowded with party conferences and discussions between the cabinet and the foreign relations committee over the ultimatum of the allies on the reparations terms. The German people's party and the democrats alone of the present coalition bloc went on record as opposing any new cabinet which would accept the allies' ultimatum.

The clerical and majority socialists were divided in their sentiments. Former Chancellor Hermann Mueller, of the majority socialists who, with Dr. Johannes Bell, former minister of transport, signed the Versailles treaty, was opposed to yielding to the entente.

The deliberations centered wholly around financial indemnities, which were closely examined; the terms of the ultimatum and the Upper Silesia situation.

Candidates for the posts of chancellor and the various ministers were not proposed or discussed.

Disarmament Causes Trouble.—The disarmament conference proved a complication in consequence of Bavaria's flat refusal to disband the civilian guards. In this Bavaria has become more obdurate because of the Upper Silesian revolt, and Premier Von Kahr's hurried visit to Berlin did not afford the government assurances beyond his reaffirmation of Bavaria's attitude.

Dr. Wilhelm Mayer, German Ambassador to France, who was summoned from Paris when it was believed a new cabinet under his leadership could be constituted before the arrival of the ultimatum, had not given President Ebert a definite answer up to eight o'clock tonight. Party leaders with whom Dr. Mayer conferred all day, believe he is not inclined to prove the embassy for the precarious post of chancellor, in a cabinet the future of which is wrapped in doubt.

Dr. Mayer, member of the Bavarian people's party, said he would be disinclined to succeed Chancellor Fehrenbach, because he was not in accord with the clerical's general program, and he believed the Bavarian attitude would be likely to embarrass him in the chancellorship.

If the entente had put a prompt end to and flatly disavowed Korfanty's insurrection in Upper Silesia, or had taken anticipatory measures regarding it, Reichstag circles would be more readily inclined to give the ultimatum and the reparations terms objective consideration, a well known party leader informed the correspondent in discussing the present crisis.

Opponents Are Encouraged.—Korfanty's action has visibly encouraged German opponents of disarmament and also measurably contributed to increasing the suspicion with which Germany views France's relations and interests in the present ultimatum and financial indemnities.

The newspapers and the Reichstag party leaders have a common impression that in the event Germany signs what she believes to be a pact incapable of fulfillment, invasion of the Ruhr is bound to follow the first violation or commission of her obligations. The party leaders therefore, are attempting to make up their minds which is the lesser evil.

The parties tonight postponed their various conferences until Sunday, and it is probable that the crisis will continue well up to the time limit fixed by the entente for Germany's reply.

TEN POLICEMEN ARE AMBUSHED.—Dublin, May 7.—Ten policemen were ambushed today in County Westmeath by fifty armed men. Sergeant Murray was shot dead.

Near Cappaghwhite, County Tipperary, Irish republicans yesterday afternoon attacked a police patrol, killed Sergeant Kingston and an unknown civilian whom the police had taken prisoner.

WHEAT SEEDING DONE IN ALBERTA.—Calgary, Alta., May 7.—Virtual completion of wheat seeding in Alberta was effected this week with a slightly larger acreage than last year, according to reports received by agricultural officials. The reports state that about 1,000,000 bushels of wheat are already showing above the ground. No forecasts upon the amount of oats and other grains sown have been made.

DEFER ACTION ON KNOX RESOLUTION FOR THE PRESENT

Will Not be Considered Next Week as Planned

(By The Associated Press) WASHINGTON, May 7.—Announcement of President Harding's decision to have American representatives on the supreme council, the conference of ambassadors and the reparations commission was followed today by intimations from house Republican leaders that action on the Knox peace resolution might be deferred until the larger economic and other problems growing out of the war had been settled.

Representative Mondell, Republican leader, said the resolution would not be considered next week, as had been expected in some quarters. House leaders generally, said the measure would remain with the foreign affairs committee for a month, perhaps, or certainly until the European situation had cleared. It was said that this met the approval of the senate foreign relations committee.

Ambassador Wallace and Roland W. Boyden are expected to resume their places almost immediately as unofficial observers with the conference of ambassadors and the reparations commission respectively. Their instructions were prepared today at the state department.

Will Get Instructions.—George Harvey, American ambassador to Great Britain, will receive his instructions from the President next week, but it probably will be a month before he begins his duties as the executive representative on the supreme council. He will be empowered to take part in the council's deliberations and it is understood will have authority to initiate such discussions as the President may direct. His status thus will be quite different from that of Mr. Wallace and Mr. Boyden, who will act as observers only, reporting their governments on the proceedings of the ambassadors and the reparations commission.

The supreme council at its next session is expected to take up the question of mandates raised by the American government in its recent notes to the four principal allied powers and administration officers believe the presence of an American representative will serve to strengthen the position of the United States and facilitate a final settlement of the question.

There was only passing reference in the senate today to the acceptance of the invitation of the supreme council. During debate on the emergency tariff bill, Senator Harrison, Democrat, Mississippi, said that by sending the invitation the allies were "merely rubbing it in" on the United States for "deserting them." He also charged that in accepting the invitation, the administration had "switched" on its foreign policy.

There was no reply from the Republican side.

WOULD REGISTER ALL ALIENS.—PITTSBURGH, May 7.—All aliens in the United States should be registered as a measure of safety, said J. J. Davis, secretary of labor, speaking at a Moose national banquet in his honor tonight.

"If you could visit Ellis Island," he said, "and see the undesirable turned back from our shores you would awaken to the danger of the situation. It is time for us to register all aliens that we may know where they are. The communists group among them is well organized."

YIELDS TO DEMAND TO ACCEPT RELIEF PLAN.—Vienna, May 7.—(By The Associated Press) The government is yielding to the demand of the opposition parties that it make acceptance of the relief plan of the financial commission of the league of nations conditional upon the assurance of a definite amount of credits. It is understood the amount will be fixed at 500,000,000 Swiss francs, to be used for food credits, and the establishment of a currency bank.

LIGHT AND POWER COMPANY INCORPORATES.—Springfield, May 7.—Articles of incorporation were issued by Secretary of State Emmerson today to the Shirley Light and Power Company of Shirley, The incorporators were Charles W. Hutchinson, Charles Seig, Delos Funk, J. P. Waters and C. W. Welch. The company was capitalized at \$25,000.

FOREIGN TRADE PROGRAM ADOPTED BY TRADE COUNCIL

Program as Adopted Will be Forwarded to President

(By The Associated Press) CLEVELAND, May 7.—With the unanimous adoption of the foreign trade program for the coming year as recommended by the general convention committee, copies of which will be sent to President Harding, members of his cabinet, senators and congressmen, the eighth annual convention of the National Foreign Trade Council closed a four day session this morning. The report of the committee is a composite embodiment of all practical recommendations brought forward by international experts during the convention.

Every phase of the world's export business—credits, exchange rates, taxation, tariffs, mercantile marine, domestic transportation, consular service and other problems of importers and exporters—is covered in the report.

Broad Principles Made.—Immediate creation of financial institutions under the Edge law to facilitate extension of long term foreign credits and promote free exchanges of imports and exports.

Economies in cost and production until a stable balance of all values of all communities and productive effort is established.

Reduction of costs in railroad transportation for domestic and export shipments.

Encouragement and development of the American merchant marine, revision of shipping laws to place America on an equal footing with foreign competitors and enactment of the marine insurance measure now pending in congress, which is characterized as "a model upon which uniform state legislation may be based."

Creation of international machinery to prevent future violations of the sanctity of contracts.

The establishment of national training academy as part of a reorganization plan of the United States foreign service.

Enactment of the China trade act.

Abolition of double taxation to exempt American investments in foreign countries from domestic income tax.

JOHN BARLEYCORN'S GHOST TO PARADE

Will Attend Hearing on Beer for Medicinal Use.

(By The Associated Press) Washington, May 7.—The ghost of John Barleycorn will bob up in congress again next week at the house judiciary committee hearings on Chairman Volstead's bill to keep him completely dead. Considering the dry composition of the house, members predicted the new Volstead measure designed to prohibit sale of beer to the sick, will be put thru.

A flood of petitions has reached Mr. Volstead for and against added restrictions. Doctors, including the general practitioner who still sticks to the old top barby as a means of curing the sick, seem to be divided about fifty-fifty, according to the letters on the question of medical beer. Some have written that it is not needed to help the ailing; others have protested that it was not right to keep the sick man from having a little beer with his meals, for his stomach's sake.

So the committee agreed to hear the all beginning Thursday, and then Mr. Volstead predicted, the bill designed to put medical beer in a place all its own in the Barleycorn family graveyard will be put thru.

R. R. CLAIM ADJUSTERS PREPARE WAGE STATEMENT.—Chicago, May 7.—The Order of Railroad Claim Adjusters today to formulate their statement of the wage and hours demands to be presented to the various roads, pursuant to instructions issued by the railroad labor board on April 15.

\$40,000,000 FARM LOAN IS DISTRIBUTED.—Washington, May 7.—Distribution of the \$40,000,000 raised by the farm loan board thru its recent bond issue for the purpose of making loans to farmers has begun, Commissioner Lobdel said today. Land banks resumed the making of loans to farmers on Monday, he said.

WILL CHANGE FLEET COMMANDERS.—Washington, May 7.—Changes in the commanders-in-chief of the Atlantic and Pacific divisions of the United States fleet are to be announced shortly by the navy department.

TRANSPORTATION KEEPS PRICES UP TO HIGH LEVEL

One of Most Pressing Problems of the Day Says Capper

(By The Associated Press) WASHINGTON, May 7.—The high cost of transportation constitutes "the most pressing question in the United States at this moment and the greatest obstacle in the way of a return to normal conditions and the restoration of business," Senator Capper, Republican, Kansas, declared today in the senate.

"The interstate commerce commission," he said, "is buried under petitions for lower freight rates from big business concerns," but the man who is hit hardest, than anybody is the farmer. He pays the freight both ways.

"While Italy sells her lemon crop here, our lemons rot because they do not bring enough to pay freight rates," he continued. "We are getting wheat from Canada and Argentina, butter from Denmark, eggs and poultry from starving China, potatoes from Norway, mutton from New Zealand, corn and beef from South America and wool from everywhere."

Senator Capper advocates as an immediate measure for relief passage of his bill to repeal the six per cent guaranty and the state rate sections of the transportation act.

VALPARAISO HEAD DENIES CHARGE

Statement Issued Denying Charge of Former President—Federal Government Sending Soldiers For Training.

(By The Associated Press) Valparaiso, Ind., May 7.—C. Nash Jeffrey, president of the Valparaiso University, and the board of trustees, issued a signed statement today denying charges that "bolshhevism, communism and other cults" exist at the institution. These charges were made April 25 by Daniel Russell Hodgdon, retiring president.

"The most convincing proof," said President Jeffrey's statement denying Dr. Hodgdon's charges, "is that the federal government, after a complete and satisfactory examination, has this week entered into a contract with Valparaiso University to send here hundreds of ex-service men for special training. Almost 200 ex-service men have been in attendance at Valparaiso University the past year."

The letter said the board had requested Dr. Hodgdon's resignation in a resolution of April 23.

LIVING COSTS IN CHICAGO DECREASES

(By The Associated Press) CHICAGO, May 7.—The cost of living in Chicago, including the item of rents, has decreased only five per cent since December 1, 1920, according to figures made public today by the Labor Bureau, Inc.

According to these figures, food and clothing have decreased 10 per cent each, but rents have increased 24 per cent.

Living costs today are 183 per cent higher, it was claimed, than they were in 1914. The cost of keeping a family of five alive and happy for a year was placed at \$2557.06.

CHARGED WITH CAUSING EXPLOSION THERMOPOLIS, Wyo., May 7

Two men were killed, three injured, one seriously and Burt Lampit, 50, oil field worker, was arrested, charged with murder as the result of an explosion which partially wrecked the bunkhouse of the Ohio Oil Company in the Grass Creek oil fields this morning.

The men killed were sleeping in the corner of the bunk house in which the explosion occurred. At the shack of Lampit, an automobile loaded with food supplies, a bed roll and an iron bar were found. Officials found that the iron bar fitted indentations in the company's dynamite and nitroglycerine store house, which had been broken open.

WELL KNOWN BUILDER DEAD

St. Louis, May 7.—Edward H. Widdicombe, pioneer builder of St. Louis who erected many churches in this city and supervised much of the construction work on the Eads bridge, died today.

OLD LETTER IS FOUND IN SPAIN

Seville, Spain, May 7.—A new authentic letter written by Cervantes, author of Don Quixote in Madrid, March 20, 1616, only a little more than a month before his death, has been discovered here, it was announced today.

CHIEF SECRETARY OF IRELAND SEES SIGNS OF PEACE

Believes Signs More Hopeful Than in 750 Years

(By The Associated Press) DUBLIN, May 7.—(By The Associated Press)—Sir Hamar Greenwood, chief secretary for Ireland, speaking today of the recent conference of Sir James Craig, premier designate of Ulster and Eamonn de Valera, declared the meeting was the most hopeful sign for peace in Ireland in 750 years.

"No Englishman, Welshman or Scotsman wants to run Ireland," Sir Hamar said. "Ireland must settle her own problem. Therefore, the meeting of Sir James and Mr. de Valera is an extremely significant sign, and in connection with it, I must praise the courage of Sir James, who consented to accompany strangers whom he knew to be enemies in a motor car from my lodge to the meeting place. He went alone and unattended."

First Meeting on Record.—The chief secretary emphasized that this was the first time on record that the representatives of Northern and Southern Ireland had consented to meet for a friendly discussion of the different points of view.

When asked if there was any possibility of an Irish settlement before the parliamentary elections Sir Hamar said:

"The present British government has one virtue—its consistency, which will be followed first, last, and all the time.

"There is no question as to the government going on with the elections. The Irish question must be settled thru the home rule act. After the elections the atmosphere will be cleared, and we shall all be in a better position to discuss matters than now."

"The home rule act is no more a partition and plunder act, as it has been termed, than was the separation of West Virginia from Virginia, or North and South Carolina."

STATE CONDITIONS OF REINSTATEMENT

Brotherhood of Maintenance of Way Employees and Railway Shop Laborers Must Turn Over Members Engaged in Station Construction Work.

(By The Associated Press) Cincinnati, May 7.—The United Brotherhood of Maintenance of Ways Employees and Railway Shop Laborers, with its membership of about 200,000 cannot be reinstated in the American Federation of Labor until it has turned over to the building trades unions its members now engaged in station construction work.

This decision was made today by the executive council of the building trades department of the federation which received a request from the employees for reinstatement. The union declared its willingness to agree to transfer to the respective unions in the building trades "those members now within our organization who properly come under the jurisdiction of other international unions."

The union was suspended from the federation in December, 1919, because of its alleged disregard for the jurisdictional rights of the building trades organizations.

AGREEMENT REACHED ON RENTAL OF LAND IN IOWA

Washington, May 7.—Iowa and the war department have reached an agreement for settlement of damage claims and rental due the state for the use of state owned land at Camp Dodge, Ia., it was announced today. The state releases the government from all claims under the agreement and agree to pay \$59,000 for the 667 government erected buildings on the land and to continue the operation of the water system on the basis for the benefit of purchasers of the government land.

In return the war department agrees to pay the state \$12,140 and \$12,000 in settlement of all damage claims against the state, leaving a balance due the government of \$34,860.

RESCINDS ORDER GRADUATING CLASS

Washington, May 7.—Secretary Denby announced today that he had rescinded an order issued several weeks ago providing for the graduation of the 1922 class at the Naval Academy six months before the regular graduation date. He said he had decided to give the class the benefit of the full senior year at the academy.

BLAIR APPOINTMENT STILL BEING FOUGHT BY SENATOR JOHNSON

Californian Bitterly Opposed to the Appointment of Winston-Salem Man as Internal Revenue Collector—Claims That He Violated the North Carolina Primary Law

(By The Associated Press) WASHINGTON, May 7.—Testimony for and against senate confirmation of David H. Blair, of Winston-Salem, N. C., to be internal revenue commissioner, was heard today by the senate finance committee in secret session, but a decision was deferred. The committee will meet again Thursday.

Charges of Senator Johnson, Republican, California, that Mr. Blair violated the North Carolina primary law as a delegate to the Republican national convention at Chicago last year and that because of federal tax refund claims of members of his family, he should not become internal revenue commissioner were aired thoroughly today.

Senator Johnson in opening his hearing, was said to have detailed his charges, while Mr. Blair and John M. Morehead, Republican national committeeman for North Carolina, denied them.

In reply to Senator Johnson's charges that since he had been victor in the North Carolina primary three days before the Republican convention, he was legally entitled to Blair's vote at Chicago, Mr. Blair and Mr. Morehead were said to have contended that they never received any official returns from the primary, whereas a state convention had instructed them to vote for another candidate.

THEORY OF LIVING WAGE ACCEPTANCE OF STATE SOCIALISM

This is Statement of J. G. Walber, Attorney for Carriers

(By The Associated Press) CHICAGO, May 7.—To adopt the theory of the living wage as a basis for determining railroad wages would be to accept "an untried theory of state socialism or countenance creation of a super-privileged class," according to John G. Walber, summing up the railroad board today. Mr. Walber, who represented the eastern roads, completed the road's rebuttal and brought their fight for lower wages to a conclusion in a lengthy argument in which he attacked the whole theory of the living wage, urged by the employees as the fundamental principle in the wage case.

The living wage, according to the railroads' investigations, Mr. Walber said, was not an amount necessary to maintain an employee and his family but "represents a standard on which certain persons would like to live."

Reduction in Living Cost.—Mr. Walber reviewed all the evidence presented by the railroads, declaring that the railroads had "clearly shown" a reduction in the cost of living since the award of July, 1920. Regarding charges of improper financing and mismanagement, made by the employees, he said, "nothing could be further from the truth or from the questions now at issue."

He declared that railroad exhibits proved that contrary to the employees' contention, railroad wages increased in greater proportion than the cost of living. The argument that wages had lagged behind and that the railroads should make up the difference now "would be manifestly unconstitutional," Mr. Walber said, declaring that enforcement of such a ruling would amount to taking property without compensation.

No limitation was given as to when a decision would be handed down, but it was said that the board would require at least a month to digest the evidence before it.

POLICEWOMAN CALLS FOR HELP

FARGO, N. D., May 7.—Miss Alice Duffy, Fargo's policewoman, had to call on a policeman today for help when she tried to arrest a plumber who rode his bicycle on the sidewalk. The plumber refused to be arrested by a woman.

"Twenty-five dollars and one day in jail," said the magistrate after a male member of the force had brought in the offender.

IRON WORKERS ADOPT RESOLUTIONS

Berlin, May 7.—The Federation of German Iron and Steel Manufacturers today adopted a resolution declaring that its members, especially those in Rhineland Westphalia, would rather endure all the hardships and sacrifices threatened by the occupation of the Ruhr district than to accept conditions which not only are impossible of fulfillment, but would sooner or later also result in occupation of the Ruhr district.

THIS SPECIES OF BOY PRINTER IS NOW EXTINCT

Benjamin Franklin Was Known as Thoughtful Boy Printer

(By The Associated Press) BOSTON, May 7.—Nearly 200 years ago, a thoughtful boy printer named Benjamin Franklin ran away from Boston to Philadelphia. Today a bronze statue of Franklin was acclaimed by thousands in the city of his birth as it was driven in a parade over the streets the philosopher knew as a youth.

The statue arrived from Philadelphia on the two hundredth anniversary of the establishment of the New England Courant, a periodical which Franklin founded with the assistance of his brother.

At exercises on the Common, a letter from President Harding was read in which he said:

"Even among the talented sons of Massachusetts, Franklin will always rank in the foremost group, and in honoring his memory you are honoring yourselves and the nation to which he so greatly contributed."

The statue will be taken overland next week to Waterbury, Conn., where it is to be permanently located.

Mother's Day—and perhaps the greatest thing about a mother's love is that it asks no recompense. "O love that will not let me go."

One of the best things that could happen to this county would be the exemption of real estate mortgages from taxation. As it is now the holder of a real estate mortgage who reports it and pays the regular tax has a mere pittance left. It is to avoid such taxation and secure better interest rates that huge sums of money are constantly being sent out of the county for investment in government securities or others that are tax free. Why

wouldn't the exemption of real estate mortgages keep much of this money in the home county, where it is needed.

But perhaps there are valid objections to the plan and the basic question of taxation is not one for amateurs.

One of the sure signs of "normalcy" is at hand. The railroads are announcing the old time excursion rates to western points. "Old time" is not just the correct word, for the rates are of course much higher than they used to be in the good old days. Nevertheless, the thought of excursions has something about it that suggests normal conditions.

Butter took a heavy drop in the retail market recently. There are a few other necessities where reductions are needed and when they come the average citizen will have no trouble in realizing that living costs are considerably lower than they were a year ago.

It is the fashion these days for representatives of organizations to appear before the legislature in favor, or in opposition to various proposed laws. This form of seeking to influence legislation has developed to such an extent that Former Speaker Shanahan said recently that legislation

nowadays is by organizations rather than by the legislature. Verily this matter of organizing to influence the legislators can be overdone. It is lobbying in a new form.

Perhaps the state constabulary law in its present form is not just what the state needs. The proposed road patrol bill may be without opposition but certainly the robberies at Hopedale, Chanderville, Concord and some other towns within just a few days afford ample evidence of the need there is for some better means of protecting property and controlling law breakers.

Supt. Stoops is leaving Joliet because of a factional fight in the board of education. Years ago people used to think that Jacksonville was about the only city where board of education factionalism flourished.

When the situation gets like that one in Joliet, about the only relief that can come is either from the resignation of the superintendent or the resignation of the board.

A crippled man and woman with an old-fashioned hand organ made continuous applications for alms on the streets of Jacksonville yesterday. It is said that these same mendicants

arrived in the city in an automobile and no doubt when they left they were many dollars richer. It is not always that gifts made in the name of charity should be so classed.

Down in the southern states it is said that the acreage in cotton has been reduced more than 28 per cent by comparison with last year. If the same thing happens in the corn growing areas, the surplus crop trouble of 1921 will not be repeated.

There may be some benefits in utilizing the acreage—that is, if the lands are planted in other crops and not permitted to stand idle.

The latest tax proposal is that each property owner shall have an exemption of \$10,000 and pay 1 per cent on all he owns above that amount. This plan will please those who hold property of \$10,000 or less, but the people of large holdings would not be so happy over the plan.

LOCAL HIGH SCHOOL

WON LAST NIGHT

CARRIED OFF HONORS IN INTELLECTUAL CONTESTS

Come Within Half Points of Highest Score in Both Classes—Greenfield the Winner With Jacksonville Close Second—Special Awards.

In the intellectual contest of the high school meet held last night at the David Prince building, Jacksonville won easily with a score of 22 points. The nearest competitor was Virginia with 14 points. However, the showing made was not quite sufficient to give the local school the highest honor in both athletic and intellectual contests. In the sum total Greenfield was the winner by the score of 41.5 while Jacksonville's total score was 41.

Totals and Awards.
The totals in the intellectual contests were: Beardstown 4, Greenfield 8, Virginia 14, Waverly 7, Jacksonville 22. These figures combined with those in the athletic contests give the following averages: Ashland 6.5; Beardstown 27.5; Greenfield 41.5, Jacksonville 41; Petersburg 1, Virginia 31, Waverly 34.5, White Hall 33.7.

Special awards were as follows: Cup, Jacksonville, quartet.

Cup, Jacksonville, intellectual contest.

Shield, Waverly, relay race.

Cup, Greenfield, winner of track and field.

Shield, Greenfield, highest average in athletic and intellectual contests.

In the contest last night Principal Shafter presided in the absence of President Russell, who found it necessary to return to his home in Beardstown.

The first honors were won as follows:

Piano—Clara Smith, Jacksonville.

Voice—Wayne Cody, Waverly.

Violin—Gerald GHI, Virginia.

Quartet—Lois Harney, Ruth Reynolds, Clara Smith, Eunice Haerle, Jacksonville.

Extemporaneous speaking—Paul Bolman, Jacksonville.

Declaration—Bernice Goodell, Virginia.

Evening Program.

The program was as follows:

Business Session.

At a business session the resignation of President Russell, who has served in that capacity for 12 years, was accepted with regret. Mr. Russell's health has made it advisable for him to give up his work and a vote of thanks was extended to him for his services. L. C. Smith of White Hall was elected president. B. F. Shafer, principal of the Jacksonville high school, is secretary and treasurer.

TO MOTHER

To every mother thruout the wide world,

The flag of love today is unfurled.

Not only to those who with laurels we hail,

Nor those who would soar on the social scale,

But to every one who a mother love knows,

Because you're a mother—to you honor goes.

It may be you are nearing the journey's end,

Or like a Madonna a first born you tend,

Or children may be since God took his own,

In Motherhood's cause, or in some battle-zone—

Whatever your path—he it smiles or a scar,

A blessing is yours for a mother you are!

DOMESTIC SCIENCE
ROUND TABLE PICNIC

Members Enjoy Annual Event at Home of Mrs. A. A. Curry in Pisgah Saturday Afternoon—Splendid Program Presented.

The annual picnic of the Domestic Science Round Table of the Jacksonville Woman's club was held yesterday at the beautiful home of Mrs. A. A. Curry in Pisgah. This event is always looked forward to with a great deal of pleasure and the members were certainly not disappointed this year.

The chairman, Mrs. J. L. Reeve called the members to order, and a business meeting followed. This being the last meeting of the club year, each officer was called on to give a report of the year's work. The "Round Table" is one of the largest clubs in the city and the reports of the officers were very satisfactory.

The annual May breakfast of the Jacksonville Woman's club was announced for Saturday, May 14th at Grace M. E. church.

The question of increasing the club dues, which had been previously discussed, was brought to a vote and it was unanimously carried that we increase the dues.

The Passavant Hospital picnic to be held next Thursday noon on the hospital grounds was announced and all club members were invited to be present.

Mrs. A. A. Curry announced the county federation meeting to be held June 2nd at the new sanatorium building, formerly Oak Lawn Retreat. At this meeting every federated club in the county is represented, and all club members are invited to be present. A splendid program is promised.

At one o'clock a delightful luncheon was served on the spacious lawn and was very much enjoyed by all present.

After the luncheon the guests repaired to the porch and parlors of the home where a most delightful program was given. Two piano selections by Mrs. Albert E. Curry, "Feather Your Nest" by Howard Johnson and "The Love Bird" by Mary Earl, were very enthusiastically received. These were followed by a duet by Mrs. W. A. Barrows and Mrs. J. H. Shutt, both of Waverly, who sang, "My Mother's Prayer" by W. E. Weeden. This was especially appreciated as the ladies were kind enough to give this without any preparation, simply filling in the place of Mr. Homer Wood who was to sing at this time but was unable to be there.

Miss Fowler, the new superintendent of the Social Service League, was present and spoke to the club concerning her work. She emphasized the importance of having a basis to work on and asked the co-operation of the members of all the Women's clubs to help solve some of the problems of the social welfare work in the community.

Miss Reicke, County Red Cross nurse, who is working under the direction of all branches of the Red Cross in Morgan County, was also present and was asked to talk to the club about her work. Miss Reicke divides her time between one hundred and six schools in the county. Of the two hundred and forty-nine children examined last month one hundred and thirteen were below normal, which is certainly a large percentage. This does not signify that that number of children do not get enough to eat but that they do not get the right kind of food, and this line of education is to be taken up by the schools and clubs at no distant date.

Miss Reicke was followed by Miss Bernice Wood who read "The House-Top Saint" and "Give Us Our Flowers Now." These were so well received that Miss Wood was obliged to respond to an encore and read the humorous selection "When The Folks Are Gone."

The story of this event would not be complete without reference to the debt the club owes to Mrs. Curry for her hospitality; the work of the social committee, and the efficient and capable way in which Mrs. E. D. Herald, the chairman of the arrangements, managed this affair. Mrs. Herald was assisted by Mesdames Homer Wood, E. L. Hill, W. O.

Baumgartner, J. N. Conover, Thomas Heaton, Clarence York, Frank Dawson, M. E. Gilbert, T. A. Ebrey, George Bradley, F. W. Bolton, A. Kingsley, Grant Graff, Ernest Strawn, J. B. Andre, C. E. Williamson, L. E. Wyatt, Charles Fawcett.

COCKERILL FUNERAL

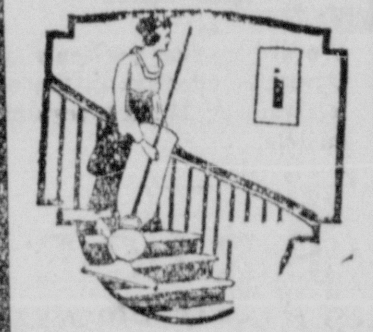

HELD AT WINCHESTER

The funeral of the late Alfred E. Cockerill was held at the Baptist church in Winchester Saturday morning at 10 o'clock. The services were in charge of Rev. W. R. Johnson and were largely attended. Mr. Cockerill had been a resident of Winchester community for a long period. As previously mentioned, Mr. Cockerill is survived by his wife and ten children. He left also eight grandchildren and the following sisters and brothers: Mrs. Rhoda Melton, Jacksonville; Mrs. Mina Thady, Murayville; Mrs. Mary White, Plymouth, George Cockerill, living in Iowa, Miss Harriet Cockerill of California and Miss Emma Cockerill living in Canada.

Music for the occasion was furnished by Mrs. W. R. Johnson, Mrs. Bert Clark, Rev. W. R. Johnson and John C. Moore. The flowers were in charge of Misses Fay Ranson, Mary Lawless, Cecil and Alice Thady.

The bearers were Robert Miller, David Burns, Martin Craddock, William Lovell, Fred Thady and William Walker.

NOTICE
On Thursday afternoon, May 5th a party of young people held a picnic on my farm. Two autos remained in the yard until after dark without lights. Limbs were broken from a valuable evergreen tree and left lying on the lawn, together with the litter from a basket lunch. A repetition of conduct like this will close my premises to outing parties.

FIRST BAPTIST S. S.

CLASS ENJOYS BANQUET.

Members of the "Every Man Up" class of First Baptist church enjoyed a banquet at the church at 8 o'clock Friday evening. There were twenty-three young men present and all found the occasion a very enjoyable one. Rev. Mr. Yule of Chicago was the principal speaker of the evening, and brief addresses were also made by Rev. A. P. Howell, pastor of the church, Alex. Rabjohn, the teacher of the class C. H. Story, superintendent adult department, and G. W. Gard, the latter serving as toastmaster. Altogether it was a very enthusiastic group of young men and the banquet was one of the best which has been given at the church in recent months.

BANK ROBBERS TOOK MONEY AND BONDS

Made Successful Raid On Chandler Bank—\$50,000 Amount of Theft.

Bank robbers wrecked the People's State bank at Candlerville at an early hour Saturday morning. The burglars secured about \$4,000 in cash and nearly \$45,000 in registered liberty bonds. The explosion of nitro-glycerin which almost wrecked the bank building was heard by a number of residents of the town. However, no effort was made to catch the yeggman until he had loaded their booty in a big automobile and driven away.

Roy Sorrells, whose home is not far distant from the bank building, gave the alarm and authorities in different localities were notified.

Investigation showed that hammers and other tools had been stolen from a blacksmith shop and used in making entrance to the bank building. Accounts vary as to the exact time of the robbery, but the cracksmen got in their work sometime between 1:30 and 2:30 o'clock. There is a distinct automobile track leading to the bank building but it was not possible to tell with certainty in which direction the robbers drove in making their escape.

Y. M. C. A. NOTES

Moline—The principal work in the Religious Department has centered around the Sunday afternoon meetings. Attendance ranging from 150 to 500 has been recorded. A number of unusually fine speakers have addressed the gatherings. On Easter Sunday, Ex-Mayor Deardsley of Kansas City, many years president of that large city Association, gave an address that caused as much serious thought as any of the entire series of the Sunday afternoon meetings.

Kewanee—The Association made such a success of its outdoor Union Meetings last summer in the parks that plans are already taking shape for greater effort for the coming summer. This work is being pushed by the men of the various churches who have been united in Gospel Team effort thru the winter. The work of the Gospel Team has created a new spirit of evangelism among the men of the churches and unique plans are in process of execution.

Aurora—An experiment in Bible study classes for shop men at the Richards-Wilcox factory turned out much better than was anticipated. With black-board and chalk and open discussion for eight weeks M. L. Moser, a volunteer worker, led an average of seventy-five men thru an intensive course in Bible study. Interest and attendance grew from week to week and men present and the volunteer leader who conducted the class and the employed officers of the Association express themselves with enthusiasm on the results. A photo of the class in session speaks with eloquence.

New Officers Conference—The newly elected officers of the thirty-five or more College Associations met for a three-day conference at the State University the first week in April. This was no ordinary gathering as was indicated by the grade of men present. They were men of personal attractiveness, power and leadership. They come to learn how to make Christianity effective on the campus and from the discussions and the apparent seriousness manifested, it speaks a new and better religious life for the students in our colleges. Dad Elliott and Howard Beaver gave great assistance to this group. The note of evangelism was evident thruout the entire session.

Douglas County—The adult leaders who attended the older boys' conference got a new vision of possibilities when they sat down to dinner with seventy-five older boys who came from four towns of the county. The discussions, the addresses and the challenge accepted by these older boys indicated that effective Christian leadership brings results. The fine Christian men of the State University made an unusual contribution because of their leadership in debate, scholarship and athletics. These men in return received a fine "come-back" on boys' work.

Decatur—The Thursday noon men's religious meeting at the Y. M. C. A., which has been meeting regularly many months has brought together some of the most prominent Christian men of the city. Thru their meetings has run the note of evangelism, devotion and prayer. Leading up to Easter for one solid week this group of men stood behind with great enthusiasm the series of addresses by Bishop Quayle. Noon lunch was served each day and three or four hundred men heard the message from this great speaker. Renewed interest in the church, deeper prayer life, a new appreciation of Easter and decisions for Christ were evident results.

CHICAGO WILL HONOR HER FALLEN HEROES

Will Unveil More Than Thousand Portraits of Men Who Fell in France.

CHICAGO. — (By The Associated Press.)—To evidence that Chicago will not forget portraits of more than a thousand of Chicago's sons who fell in France have been collected by the Chicago Historical Society and will be unveiled here Sunday as the society's memorial of the Great War.

The photographs have been mounted on swinging art frames behind plate glass. The work of gathering them has taken nearly two years.

"Chicago, is, I believe, the only city to make such a record of its fallen sons," said Col. E. E. Wood, state historian of the American Legion, who directed the task.

"Our city lost 2,225 men and 29 nurses in the war. We have collected the records of all them for perpetuity. We have portraits of nearly 1,500. Over fifty of these young patriots were sons of members of the Chicago Historical Society, and the accomplishment of this task is due to voluntary services and contributions from officers and members of the society."

"Today there will be a private view for society members, and tomorrow the unveiling will take place. Invitations for this have been issued to next of kin only. The general public is invited for the remainder of the week."

Speakers at tomorrow's exercises will include Brig. Gen. Abel Davis, Bishop Charles P. Anderson, Bishop Fallows and the Rev. John Timothy Stone. There will be music by Melvin Martinson, violin soloist of the Chicago Symphony orchestra.

Three details of soldiers and sailors in uniform have been detailed by headquarters of the American Legion.

FAIR CROP OF LATE APPLES

Chicago.—There will be a fair crop of late apples in Southern Illinois but few early apples, according to C. E. Durst, director of the fruit and vegetable marketing department of the Illinois Agricultural association. Mr. Durst has spent the last month in organization meetings of the "pays" growers.

Mrs. Thomas D. Cain and son, Thomas, Jr., expect to arrive in the city today to spend the summer with Mr. and Mrs. J. H. Cain south of the city. They are coming from Denver, Colo., and J. H. Cain expects to meet them at Hannibal, Mo.

Dr. G. R. Bradley and family attended the Galli-Curi concert in Springfield Friday evening.

CHAPIN

Chapin, May 6.—Mr. and Mrs. Andrew Allen are entertaining at a house party for the week-end three brothers and their wives. Mr. and Mrs. A. C. Allen, of Marshall, Ill.; Mr. and Mrs. H. H. Allen, of Tiskilwa, Ill.; and Mr. and Mrs. Fred Allen of Winchester. Mr. and Mrs. Allen accompanied by their guests spent Friday afternoon at Versailles, guests of Mr. and Mrs. Bernard Allen.

C. A. Middleton and wife were shopping in Jacksonville the first of the week.

Miss Effie and Helene Markham were Springfield visitors Thursday.

Mr. and Mrs. J. L. Alderson drove to Jacksonville Thursday afternoon.

Miss Gladys Knopp, R. N.,

surgical director at the Passavant hospital, was a guest of her mother, Mrs. Della Knop Thursday.

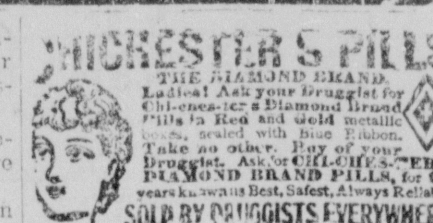

F. G. Eilers, Mrs. E. F. Antrobus and Mrs. Jason Johnson were Jacksonville shoppers Thursday. Alden Allen and Miss Lehman were Jacksonville visitors Thursday evening.

Come to the Cooking Class

More Heat Less Care

Thursday, Friday and Saturday afternoon at two o'clock a special cooking demonstration will be given in our store—FREE.

At this class various dishes will be cooked to show the many women who will attend how easily they can get excellent results with a Florence Oil

Cook Stove. Samples of the food will be served to those who attend.

The domestic science demonstrator in charge will show how simply the kerosene-burning Florence works, and will gladly answer questions about it. Come. Ask questions. Learn how to save time, work, fuel, and food.

Remember the day and the hour.

CHAMBER OF COMMERCE PLAN IS EXPLAINED

Four Distinct Periods In the Work of Organization Are Outlined.

By the use of a blackboard chart, Jarvis Price, organization director, at the recent meeting of the advisory committee, explained the plan of the organization movement and emphasized the chief features of the work that is now under way for the establishment of a modern Chamber of Commerce for Jacksonville. The services which the American City Bureau is giving, he said, are divided into four periods. The first is the preliminary educational period of

three weeks during which time, it will be the aim to familiarize the citizens of Jacksonville as fully as possible with the organization movement. This will be done by public meetings, by direct mailings, and newspaper publicity.

In the meantime, a voluntary team organization will be built up by the executive committee of the organization movement. During this second period of one week the teams will go out and enroll as many of the citizens of Jacksonville as may be found willing to co-operate in a big, responsible civic-commercial organization.

The third period will include the perfecting of the permanent organization of the new chamber. This will comprise the setting up of the machinery of a

modern chamber of commerce. Simultaneously with this a definite program of work will be built by the membership enrolled so that when the new body is in good working order it will have a specific set of activities before it and a united, positive, supporting public opinion behind them to see that they are carried thru to completion.

The fourth period runs for three years, during which time the Jacksonville Chamber of Commerce will have the active co-operation, counsel, advice and help, the assistance of the American City Bureau. In addition to this the research department, maintained by the bureau which is very comprehensive since it has made a careful study of problems confronting more than three hundred cities in the United States and Canada, will be at the disposal of the new chamber.

**FORMER WHITE HALL MAN
SUCCEEDING IN WEST**

White Hall, May 7.—Howard W. Hailey, son of Rev. W. M. Hailey, well known Methodist minister and former editor of the Barry Record, writes from Denver to the effect that he has entered the field of agricultural journalism, now being connected with "Western Farm Life" of Denver.

Young Hailey made his way thru the school of journalism at Columbia, Mo., with honors, following an apprenticeship on the old White Hall Republican. He has been located at Denver since doing service in France in connection with the war. In a letter just received by R. B. Pearce he remarks among other things: "My work there takes us all over Colorado and out into neighboring states. I am enjoying the work very much, and so far have been able to please the powers that be. I have learned to like Colorado very much and probably will continue to reside here. I am on a live stock and agricultural magazine, and am writing agricultural news and feature stories and handling livestock advertising. Would sure love to be back from the Corps Percheron sale on the 18th, as I just finished reading his page in the Breeders' Gazette."

THANKS
We wish to thank the many friends and neighbors who have given us so much of their time and attention in the opening of our new venture The Rialto Theatre. We will certainly try to please you by giving you the best and newest pictures obtainable. We especially want to thank the little folks who participated in our drawing contest for that greatest of all shows, Black Beauty.

PASSAVANT PLANS FOR HOSPITAL DAY

Public Invited to Visit Institution Next Thursday—Mayor Crabtree and H. H. Bancroft Will Speak.

Passavant Hospital is to join other institutions in the United States and Canada in the observance of National Hospital Day May 12. There are "Fire Prevention," "Arbor," "Mothers'" and other days, and even "Be Kind to Dumb Animals Weeks," but this is the first organized effort to have a "day" for the 8,000 hospitals that are caring for the 3,000,000 people, who, according to the American Public Health Association, are sick every day.

May 12 was chosen as National Hospital Day because it is the birthday anniversary of Florence Nightingale, pioneer in modern hospital and nursing methods. Passavant Hospital cordially invites the men and women of the community to drop in on May 12 and see for themselves how well it cares for their relatives, friends and fellow-citizens who may be sick or injured. The nurses' training school also issues an invitation to the girls and young women to inspect the home for nurses and learn some interesting facts about this splendid profession.

As already announced a picnic dinner will be served on Passavant lawn to which the public is invited. Those who assemble will provide their own lunches, but the Hospital Aid Society will provide coffee and cups without charge.

There will be a brief program with addresses by Mayor E. E. Crabtree and H. H. Bancroft.

AMERICANIZATION MEET.

In the good old days when this government was forming—growing, many foreigners came in, more and more till years after the Civil War. In those days all the were alive and awake to the needs and possibilities of citizenship to all. Not only were these comers here to benefit their financial condition, but to improve themselves in a free atmosphere, to bring up their children away from royal cringing, and to give them privileges socially and educationally previously unknown to the world. These people attained what they sought, they became good citizens, as did their children. Women were raised to an equality among their sex and before men, and they took on new and higher life. That was what it meant then to come to America, and to become an American. But of late years, in the cracking growth of our country, the highest ideals have been overlooked, with the great crowds of foreigners have come in un-American thoughts and plans to the detriment of just what our people and the immigrants most needed and really desired.

The plan of having an annual Americanization day has come in to keep the high American ideals, plans and hopes before all our people.

GAVE ENTERTAINMENT AT SCHOOL FOR DEAF

Stanley I. Davis gave an entertainment in magic for the children at the State School for the Deaf last night. The program was a repetition of the one given recently as a benefit for the Boy Scout troop of Westminster church, and was greatly enjoyed by the children at the institution. Mr. Davis is an expert in legende-main and his performances are full of interest for young and old.

WILL BE UNITED IN MARRIAGE HERE TODAY

Miss Beatrice Trunnells of White Hall and Manfred Gibbons of Roodhouse To Wed This Morning—Will Reside in Chicago.

The marriage of Miss Beatrice Trunnells of White Hall and Manfred Gibbons of Roodhouse will take place this morning at 8 o'clock. The ceremony will be performed by Rev. M. L. Pontius at his residence on West College avenue, and the bride and groom will be unattended. Following the ceremony they will leave for a wedding trip to St. Louis and will be at home to their friends after June 1st in Chicago.

The bride is a daughter of Mr. and Mrs. J. W. Trunnells of White Hall and has always resided in that community. She is a graduate of the White Hall high school and is a young woman of charming personality and wide popularity. She is a sister of Mrs. Oran H. Cook of this city.

Mr. Gibbons, who is a mail clerk by occupation, is a son of Mr. and Mrs. William Gibbons of Roodhouse. He is well and favorably known in his home community and both he and his bride have hosts of friends to extend congratulations and good wishes at this time.

It is better to play it.

Even though you do not know one note from another you can enjoy the pleasurable sensation of being a musician.

THE
Manualo

The Player-Piano That is All But Human
The Instrument You Were Born to Play

requires only the application of the musical feeling that is born in all of us to play for you as satisfactorily and sympathetically as it plays for the artist who performs by hand. Your musical wishes instinctively expressed to its pedals make it respond as fully as if you were playing upon its keys. Through the Manualo you enjoy the sensation of really playing a musical instrument. You never think that you are operating a machine.

The Manualo satisfies everybody who plays it. Every member of your family would enjoy it immensely from the youngest who can reach the pedals to those who ordinarily might think themselves too old to play a musical instrument. Come in and try it and bring some of your folks to try it too.

Whether you want an inexpensive instrument or the finest to be had there is a Manualo to meet your requirements. We sell these four famous brands, all made by the House of Baldwin—the Baldwin Manualo, the Ellington Manualo, the Hamilton Manualo, the Howard Manualo—and as we are direct factory distributors, we can give you values that positively are unrivaled.

FORDS RUN 34 MILES ON
GALLON OF GASOLINE

Start Easy in Coldest Weather—
Other Cars Show Propor-
tionate Saving.

A new carburetor which cuts
down gasoline consumption of
any motor and reduces gasoline
bills from one-third to one-half,
is the proud achievement of the
Air-Friction Carburetor Co., 638
Madison, St., Dayton, Ohio. This
remarkable invention not only
increases the power of all motors
from 30 to 50 per cent, but en-
ables every one to run slow on
high gear. It also makes it easy
to start a Ford or any other car
in the coldest weather. You can
use the very cheapest grade of
gasoline or half gasoline and half
kerosene and still get more pow-
er and more mileage than you
now get from the highest test
gasoline. Many Ford owners say
they now get high as 40 to 50
miles to a gallon of gasoline. So
sure are the manufacturers of
the immense saving their new
carburetor will make that they
offer to send it on 30 days' trial
to every car owner. As it can be
put on or taken off in a few min-
utes by anyone, all readers of
this paper who want to try it
should send their name, address
and make of car to the manu-
facturers at once. They also
want local agents, to whom they
offer exceptionally large profits.

White Hall Victor Over Greenfield In High School Meet

Wins Over Greenfield by One Fifth of a Point—Two New Records are Made and One is Tied—Witt of Greenfield Stepped the 440 Yard Dash in Fifty-Two Seconds

With a well balanced team in both track and field, White Hall took the twenty-second annual Western Illinois High school league meet on Illinois field Saturday afternoon. The winners early in the meet looked as tho they were going to make it a runaway affair. However, Greenfield came fast in the latter part of the meet and White Hall was able to win by only one-fifth of a point.

It was an ideal day for the event and two new records were established and one tied. Witt of Greenfield who was the highest individual point maker of the day, stepped the 440 yard dash in 52 seconds, one second below the record. He won pulled up and it looked as tho he could have gone even faster with anybody to push him.

Cooper of Beardstown set a new record in the pole vault, reaching a height of 10 feet, 8 7/8 inches. Douglas of Jacksonville tied the half mile mark of 2:10 held by Benson of Beardstown.

Waverly was third in the meet. Beardstown fourth and Jacksonville fifth. Jacksonville fell down in the sprints and hurdles. Douglas ran second in the 440 yard dash and won the half mile while Goebel won the high hurdles. Goebel displayed fine form in the hurdles and should improve between now and next Saturday, the date of the Illinois interscholastic.

Several of the field events were so closely contested that the points were badly split. In the pole vault there were two ties and in the high jump five were tied for six points. Kinzer of Greenfield getting first.

The meet was run off in good style, Coach Harmon having an excellent corps of assistants. The officials in charge were:

QUINCY LILYS PLAY HERE THIS AFTERNOON

Meet Indies at South Side Park—Visitors Reported to Have Strong Team.

With good weather, conditions there should be a large crowd at South Side park this afternoon to see the Indies hook up with the Quincy Lilys.

The visitors come with a good reputation. Last season they lost eight out of thirty-two games, nearly all on foreign fields. They have practically the same lineup as a year ago and should give the Indies a warm argument.

The weather probably will be warmer today than a week ago and if it is it should suit Buck Sims, who hurled an excellent game last Sunday. Buck believes he is getting right and if the old arm is as good as it used to be the Quincy batters are in for a hard afternoon. The game this afternoon will be called at 2:30 in order to allow Quincy to catch the afternoon train home.

The teams will line up as follows: Lilys—Most, cf; Heier, lf; Wheel, er, 2b; Bosling, ss; McGreevy, 3b; Becker, lf; Robinson, cf; Ellis, rf; Gustafson, p; Krogman, p; Wall, p; Frasse, utility.

Indies—Denny, 2b; Wheeler, cf; Rube, 3b; Clark, c; Cox, rf; Christopher, ss; Morrow, 1b; DeFratres, lf; Sims, p; Ham, p.

Custafson will pitch for the Lilys with Most receiving. The Lilys beat Baylis Saturday by a score of 6 to 4.

MICHIGAN WINS FROM CHICAGO.

Ann Arbor, Mich., May 7.—Michigan won a western conference baseball game from Chicago today, 7 to 6. The game was marked by ineffective pitching on both sides. Loose fielding also contributed to scoring, nine misplays being recorded against the Wolverines. The score:

Club: R. H. E.
Chicago . . . 6 8 4
Michigan . . . 7 10 9
Batteries—C. Dixon, Chemielek, H. Schultz and Yardley; M. Dixon, R. Schultz, Liverance and Vick.

BOSTON CAPTURES OVERTIME GAME

Boston, May 7.—Barbare's single, Southworth's sacrifice and Brock's single to center, with two out in the last of the 11th, sent over the run which won 2 to 1, for Boston from Philadelphia today. McQuillan had the better of King in a pitching duel, the visitors getting but 2 hits in their last five innings. The score:

Club: R. H. E.
Phila. . . 010 000 000—1 7 2
Boston . . . 001 000 001—2 8 1

TRACTOR ACCIDENT
CAUSED MAN'S DEATH

E. W. SORRELLS OF WOODSON
PRECINCT IS CAUGHT
UNDER MACHINE

Plowing in Difficult Part of Field When Accident Happened—Internal Injury Coupled With Heart Disease Probably Caused Death.

E. W. Sorrells, a prominent citizen of Woodson precinct and well known in Jacksonville, met death about 8:30 o'clock Saturday morning when he was crushed beneath a tractor on his farm a short distance from Woodson.

Mr. Sorrells had gone to the field to assist Guy Henson, an employe on the farm, at a point where the plowing was difficult. His purpose was to fill in a place where the earth was washing and as it was difficult to operate the tractor there he replaced Henson on the seat. He had gone a short distance when the tractor turned over backward and he was caught beneath the heavy machinery. He was not pinned beneath it, but the blow on the body resulted in internal injury.

Dr. R. R. Jones of Woodson was summoned and made quick response, but could be of no service. Mr. Henson and a son of Mr. Sorrells gave what assistance they could. The injured man spoke only a few words and sat at the side of the ditch where the accident happened. Suddenly he gasped and fell to the ground. In a few seconds' time life was extinct. Those with him had not realized that the accident was of such a serious nature.

The deceased had been troubled with heart disease and it is probable that this condition had some relation to his death.

It is the expectation that Coroner Rose will hold an inquest today.

It seems that Mr. Sorrells had sent to his house for a chain and clevis with which to attach the plows to the tractor. Only the chain was brought and so he could not make the "hitch" in the regular way. Instead the chain was wrapped about the axle and it is said that it was because the draft upon the tractor was not in the regulation way that it was overbalanced.

Mr. Sorrells was a son of the late Harvey Sorrells and had spent practically all of his life in Woodson community, altho he had been in the automobile business in this city. He conducted farming operations, had owned a garage in Woodson and had recently become manager for the Farmers elevator at Clements. It was not his intention to work long in the field Saturday morning, but he was attending to a portion of the plowing before leaving for his duties at the elevator.

The deceased was a member of the Masonic order and was also a member of the Presbyterian church in Woodson, in which he was actively interested. The deceased was the proprietor of an automobile business in Jacksonville and more recently had been associated with the firm of Edelbrock and Sorrells.

Mr. Sorrells is survived by his wife and two sons, Charles and Ray. The funeral will be held Monday afternoon at 2 o'clock from the Presbyterian church in Woodson, the services in charge of Dr. Miller. Interment will be made at Diamond Grove cemetery and the services at the grave will be in charge of the Masonic order.

Social Events

Entertained Mission Board

Miss Mary Margaret Brady entertained the members of the Mission Board of Westminster church yesterday afternoon at her home in Duncan Place. It was the regular monthly meeting and a very enjoyable little program was given. Miss Jessie Holmes the leader of the group, was in charge of the meeting. After the program the guests, twelve in number, went out and had a gay time playing in the park. In the course of the afternoon Mrs. Brady served delicious refreshments.

Many Attend Last College Dance.

The Illinois college students had their last regular college dance of the year last night at the Peacock Inn. Excellent music furnished by Laboyteaux, Pinkerton and Connolly. There were a great many young people present and the evening was gayly spent with the usual college fun.

Reception for Mrs. Robert Capps.

Mrs. Robert Capps was the guest of honor at a charming reception given yesterday afternoon by Mrs. H. M. Capps at her home on Mound avenue. A large number of guests were invited to this delightful informal affair, to meet Mrs. Capps. Spring flowers added to the beauty of the Capps home. In the course of the afternoon dainty refreshments were served.

Those who assisted Mrs. Capps in entertaining were Mrs. A. L. Adams, Mrs. Ellen Merrill, Mrs. C. A. Johnson, Mrs. W. T. Capps, Mrs. John Russell, Mrs. H. H. Bancroft, Mrs. Parker Doane, Mrs. E. N. Dunlap, Mrs. Harrison King, Mrs. J. W. Walton and Mrs. C. H. Rammelkamp.

Engagement of Prominent Young People Announced.

Mr. and Mrs. Andrew Russell announce the engagement of their daughter Elinor to John Griffith Ames, U. S. N. The wedding is to take place in June.

Miss Russell is one of the most popular and charming members of Jacksonville's younger set and the marriage will be one of the important events of the June season. Miss Russell is in California now but expects to return to her home in Jacksonville next week.

Mr. Ames is the eldest son of Dr. and Mrs. J. G. Ames of Illinois college. He will graduate from the Naval academy at Annapolis, June 2nd, and after the wedding will go with his wife to the western coast where he will join the Pacific fleet.

Mary Louise Fitzgerald Had Party

Mrs. John P. Fitzgerald was the hostess at a delightful little birthday party given yesterday afternoon for her little daughter, Mary Louise. It was the young lady's sixth birthday and sixteen of her little friends were invited to her home on East State street, to spend the afternoon.

The little guests spent several hours playing games on the lawn and having a fine time. During the afternoon, delicious refreshments were passed. There was a lovely angel food cake with six little birthday candles and also generous plates of ice cream. Each guest received a pretty little basket of candy to take home.

Boys of Westminster S. S. Give Party for Mothers

Members of Mrs. J. T. Gunn's class of Westminster Sunday school, known as the "Hustlers," gave a party Saturday evening at the church especially in honor of their mothers. The boys were aided in this affair by the girls of Miss Eleanor Moore's class in the Sunday school.

The program included a number of songs and recitations all in keeping with Mother's day. One of the features of the program was a charade in which four girls appeared in costumes representing Puritan mothers.

At the close of program came a pleasant social hour and the serving of delicious refreshments.

A. A. DYER'S LIFE
JOURNEY ENDED

Death of Well Known Resident of the County Took Place Saturday Morning—Interment at Ebenezer.

Death came to A. A. Dyer, a well known resident of Jacksonville, at 5 o'clock Saturday morning at his home, 1018 West Lafayette avenue. Mr. Dyer had been ill for a period of weeks with heart disease and complications.

The deceased was born July 7, in Jonesboro, Tenn., where his father, John Dyer, was a farmer. Later the family moved to Illinois and subsequently to Kansas, and it was there that the father died. The son subsequently removed to this county and for a number of years was a member of the family of an uncle. Later he engaged in farming on his own account and came to be ranked as one of the successful farmers and business men of this county. He has been a resident of this community since 1874, much of the time living in the Ebenezer neighborhood, where he had farming interests.

Mr. Dyer was married to Miss Sarah E. Litter, who survives him, together with the following children: Mrs. Harold Elliott, Mrs. George Smith, Mrs. Everett Armstrong, Misses Leana, Alleen and Beulah Dyer. There are also one sister and one brother, Mrs. Etta Hayworth of Havana and George Dyer of White Hall.

The funeral service will be held at 2:30 o'clock Monday afternoon at the residence. The service will be in charge of Rev. W. H. McGhee, of Litchfield, formerly pastor of Ebenezer church, and Rev. M. L. Pontius, interment at Ebenezer.

REMAINS ALBERT SUTTLES ARRIVE IN WHITE HALL

White Hall, May 7.—The remains of Albert Suttles, who died at East Moline Thursday evening reached White Hall Saturday afternoon on the Burlington, and were taken to the home of his sister, Mrs. George Hitch, at Drake, six miles west of White Hall. Funeral services will be conducted by Rev. J. O. Rames, of White Hall, in the Baptist church at Patterson at 2 o'clock Sunday, and the burial will be in Pine Tree cemetery at Patterson.

The deceased was a native of the Drake neighborhood. He went to East Moline a little more than two years ago, where he has been employed in the Deere works. He was 43 years of age. One brother and four sisters survive as follows: Lloyd Suttles, East Moline; Mrs. James Baird, Alma, Michigan; Mrs. Henry Sherwin, Winchester; Mrs. Luther Smith, East Moline and Mrs. George Hitch, Drake.

REORGANIZING SULLIVAN BANK.

The Decatur Review says that there are excellent prospects that the defunct Sullivan bank will be reorganized on a substantial basis. State Auditor Ruel, who has been lending every possible assistance, has subscribed \$1,000 worth of stock. It is stated in the Review that Mr. Russell may assume the presidency of the bank for a period of months until the institution is on a stable basis.

TWO SHOPLIFTERS MAKE RESTITUTION

Chief of Police Kiloran Says That in the Future All Such Cases Will be Prosecuted.

Two women shoplifters were caught in a well known read-to-wear establishment Saturday. Chief of Police Kiloran, who has been keeping an eye on shoplifting operations, secured a confession from the women that they had taken three suits of silk underclothing, together with other articles, and the case was settled by the payment of the full retail price.

The two women in question had been under suspicion for the past week or ten days, and when they visited the store again Saturday under the pretense of exchanging an article purchased, the fact was made known to the police department. One of the women was caught in similar work a few months ago and promised if no publicity was given that there would be no further wrongdoing.

Chief Kiloran said Saturday that a number of cases of this kind have come up and there had been no prosecution because the shoplifters were ready to pay the full price of everything taken. He said in the future it would be the policy of the police department no matter if reparation is made to issue warrants and to proceed to prosecute in the regular way.

New Home Sanitarium

Incorporated

A Private Surgical Hospital
Thru its Public Health Department Says:—

Finding the Truth

"By the TRUTH ye are saved." Doctor, what is the matter with me? What is the cause of my sickness? Should be the object of your consulting a physician always. There is a CAUSE for every pain—for every improper action of a part—organ or system of the body. There is a cause for every DEATH. 75 per cent of sick people are treated under mistaken DIAGNOSES. That means that two thirds of DEATHS are prematurely brought on. To think of the thousands needlessly dying and many times more needlessly suffering and dragging thru life daily indelibly impresses upon us the great importance of "SEEKING THE CAUSE."

Money paid for guess work or for treatment without a proper diagnosis is money wasted. A proper EXAMINATION is the only way "to find the golden wedge." It costs more, 'tis true; it is worth more. You get about all you pay for in this world. If you seek "cheap service—guess work" you get cheap values. "Cheap Results."

No one knows better than the Doctor the value of his SERVICES; he charges accordingly. Cheap Service, like cheap goods produce cheap results, disappointments and waste. To better illustrate what we mean we will state one case from our records. Mrs. — came to the NEW HOME

SANITARIUM recently and said, "I came here to find out what is the matter with me, the cause of my suffering so long." Her history revealed the facts—that she had been suffering slow death for 21 years, had received treatment from 18 doctors, but had never once been EXAMINED. After going thru the route she was relieved of 33 large and small stones from the gall bladder. Now health and happiness have taken place of suffering and disappointment. (These the greatest curses of mankind.) Cheap service and guess work like the vain searches of Ponce de Leon in his efforts to find the "fountain of immortal youth" proved in reality a MYTH.

At the NEW HOME SANITARIUM is found all necessary means of finding the TRUTH. The real diagnoses of your ailment, getting at the CAUSE is first consideration. All else is easy.

Interior View of Ball Room of New Elk's Home

ELKS HOME PRESENTS FINE INTERIOR VIEW

Ball Room Will Be One of Beauty Spots of Jacksonville

Those who have visited the Elks home during recent days have marveled at the beauty of the interior. When Elks and their guests assemble next Wednesday night for the initial reception they will find the entire lower floor of the home complete. The plans for the betterment of the building have been carried out in such a way that it is sure to become one of the "show places" of Jacksonville and the increasing popularity of the Home is already certain.

A great deal of work remains to be done in the upper rooms but plans for the completion of these rooms are now being formulated and the work will be undertaken at no distant date. The general dimensions of the ball room are 60 by 41 feet, and one will hardly recognize the remodeled Y. M. C. A. gymnasium room. The floor is of hard maple. The wood was chosen with great care and Contractor Govia has certainly done an excellent piece of work.

The decoration of walls and ceiling is most attractive and the handsome chandeliers which has just been put in place add in a very large way to the beauty of the interior.

The regular business session of the lodge will be held at 7:15 o'clock Wednesday evening, and this will be followed by a reception and informal dance, beginning at 8:30 o'clock.

"BLACK BEAUTY" CONTEST

Sixty-five children from the Jacksonville schools entered the contest held by Buckthorpes' Rialto theatre last week. The picture "Black Beauty" was running at the theatre and the management offered prizes to the children who drew the best pictures of horses. There were some very clever horses drawn, and the pictures on display at the Rialto yesterday showed a wide range of artistic talent.

Prizes in the First and Second wards were as follows: first, Frank Imhoff, second, Lawrence Smith, and the third, Virgil McDonald. In the Third and Fourth wards group prizes were awarded to Martha Kitter, first; George Goheen, second and Russell Ludwig, third. In the Parochial school Charles Caldwell won first; Charles Gattens, second, and Robert Keating, third.

L. A. Read was a business caller in the city from the region of Pisgah Saturday.

COLLEGE OF MUSIC NOTES

Mrs. Clara Moore Neils, formerly of the music faculty, played a group of violin solos at the reception given at the Governor's mansion in Springfield for the delegates to the District Federation of Woman's Clubs Tuesday evening, May 3rd.

Students in the music department who are working for their Bachelor's degrees are busy preparing for the practical examination in voice, piano and violin which take place the latter part of May. The standards are very high and each performer must pass with good standing in order to be promoted.

Miss Melba Moses, piano pupil of Miss Hay, will play a solo at Epworth league, Grace M. E. church, Sunday evening.

Miss Evelyn Ross, pupil of Mrs. Forrest, will sing a solo at Centenary church Sunday morning.

Miss Katherine Anderson, piano pupil of Miss Hay, was soloist at the Naples, Ill., High school commencement last week.

Miss Lelah Howell and Miss Gladys Lamb played numbers by Torjussen and Rachmaninoff on a program recently given by the Theta Sigma society.

The children's and juniors' recitals will occupy three Saturday afternoons this month, May 14, May 21 and May 28. The public is cordially invited to be present. The special feature of the recital for May 14 are the demonstration of the primary piano class work, under Miss Melba's direction, and the "Kitchen Symphony" performed by the intermediate theory class. The program begins at 3:15 and is given in Music hall.

The advance pupils' recital which was given in Music hall Thursday evening was very well attended and throughout it was a recital of unusual merits.

Miss Olive Engel will give her organ diploma recital at Music hall, Monday evening, May 10th, at 8:15. The public is cordially invited.

Mr. and Mrs. James Allan were Saturday guests in the city from near Lynnville.

George Craig made a business expedition to the city from Woodson yesterday.

REBEKAHS OF DISTRICT MEET AT WHITE HALL

Annual Convention of Order Held at White Hall Recently—Odd Fellows To Convene in White Hall May 16th.

White Hall, May 6.—Rebekah Odd Fellowship predominated in White Hall Wednesday on the occasion of the 22nd district convention of that order, which was entertained by Adams Rebekah lodge No. 375. The business houses conspicuously displayed pink and green, the colors of the order, and the attendance from a distance greatly exceeded the calculations of the local committee. One hundred visitors were seated at a 6 o'clock dinner at the Stock. The proceedings continued thru the afternoon and evening. At the business session during the afternoon, Palmyra was voted the next annual convention, and the following officers were elected:

President—Mrs. Rose Duncan, Palmyra.

Junior Past President—Miss Bessie Culbertson, White Hall.

Vice President—Mrs. Anna Orr, Gillespie.

Treasurer—Mrs. Lena Storry, Brighton (re-elected).

Secretary—Mrs. Edna Dawson, Palmyra.

At night the degree staff of Palmyra conferred the degree upon a class of twenty-nine candidates.

Odd Fellows will again hold forth at White Hall on Monday, May 16th, when the convention of the 76th district will meet here under the auspices of Benevolent lodge, No. 227. The district comprises several counties, and no less than three hundred delegates and two bands are expected. The gathering will tax the efforts of the local committee to adequately entertain. The rebekahs will serve dinner in the new and spacious dining hall of the Presbyterian church.

Thursday's decorations included a miniature lodge setting complete, displayed in the show windows of the Fox furniture store. It was the work of Frank Dawdy, and grand officers present declared it to be the most remarkable Rebekah street display that had ever come to their notice.

SENIOR CLASS SUBSCRIBES \$2,000 IN BIG CAMPAIGN

Cries of "Yea, Seniors! Yea, Seniors!" rang thru the chapel yesterday morning when the senior class at Illinois Woman's college announced a total subscription of \$2,000, in the big campaign to raise an endowment and improvement fund of \$500,000.

The class has a membership of twenty-four and the subscriptions were 100 per cent. Every girl pledged liberally to the support of the college. In the chapel hangs a big bulletin board, with five hundred squares, each representing a thousand dollars, waiting to be crossed off. Yesterday Dr. Harker marked off two squares, representing the senior's pledge of \$2,000, in red and white—the colors of the class of '21.

This unique idea, to mark the mounts off in the class colors, has started ball rolling and it is thought that the other classes will follow the lead of the seniors. The report yesterday brings the total amount to \$212,000, toward the \$250,000 to be raised by June 7th. The other students pledges are to be made public next week and a great total is expected.

Merle Beddingfield was in the city from Arenzville yesterday.

Bascom Kinnett journeyed to the city on business from Orleans yesterday.

Clean Well and Keep Well The Eureka Gets all the Dirt and Not the Carpet

—Reduces Work
and Saves Time

There was a time when there were no typewriters—no telephones—no sewing machines, but these are indispensable household improvements now—because they are an economy—they reduce work and save time.

This is also true of the Eureka Electric Vacuum Cleaner. It not only Reduces Work and Saves Time, but keeps the home spotlessly clean—at a low cost that is really surprising.

If you want to save time, work and money in keeping the home bright and cheery, call on us for a demonstration of the Eureka.

A Question Most Often Asked Us

Why Can You Sell Cheaper?

We are asked and answer, this question daily, and for the benefit of those we don't see personally we take this opportunity and means to tell them

"WHY"

—FIRST, remember that this is 1921 and not 1919.
—THEN remember that a merchant buying goods today, or recently, gets the benefit of the tremendous slump in prices that has taken place.

—NOW, we do not own a dollar's worth of merchandise purchased at "wartime prices," nor did we buy "wartime quality."

—WE BOUGHT only merchandise of known and undoubted quality that we cheerfully can recommend to our friends, and as cheerfully stand back of. And going into business so recently, we benefited by falling wholesale prices.

—AND LAST, we so laid out our store and arranged our stock that our selling expense is reduced to a minimum.

—WE ARE justifiably proud of our new store, and of our ability to "Sell Cheaper"—give our patrons the best for less.

Cord Tires

When you buy tires do you always take into consideration the value that you get for your money, or just the price named by a dealer? We have in stock the largest stock of Cord Tires to be found in this section, and best makes—Ajax, Horse Shoe and Silvertown—and we are making best prices. There's something doing here in tires all the time. REMEMBER, WE LEAD IN CORD TIRES.

Fordson

For thirty-five years Henry Ford, a farmer's boy, has been working on the problem of a successful tractor for the farm, and for the past fourteen years has devoted much time and a vast amount of money to the development of the present Fordson Tractor. Today that Tractor is in use on nearly 200,000 farms and if you have any doubt as to the satisfaction it gives to those who are using it, call in and get the booklet, just issued by the Ford Motor Company, and called "The Tractor at Work" and read the testimony which is there given by the multitude of owners of Fordson Tractors. No evidence can be more conclusive than that of the man who actually knows by personal experience and this is the line of testimony carried in this little booklet. There is no cost for this booklet. If you cannot call for it, write, drop us a postal, and we will mail it to you without charge. It is so valuable you ought to have it because it is the open door through which the farmer will pass from the hard working drudge to the comparative comfort of the manufacturer. The Fordson makes it possible for the farmer to plan and direct, while the machine will do the work. It presents the widest latitude for the farmer to exercise his brain power and plan how he can get the most from the soil, knowing that the Tractor will do the hard work, do it better, do it quicker, and therefore do it more profitably. This means not alone in the cultivation of the soil, in the harvesting of the crops, but in a hundred and one different demands that are made for labor, cutting of ensilage and the filling of the silo; cutting of wood; operation of the washing machine; in the lighting of the house with electricity; supplying the house with running water; bringing to the farmer's wife and daughters the conveniences of the city, relieving them of much of the hard, unpleasant part of housework.

ILLINOIS COLLEGE NOTES

The class of '71, Illinois College, is planning to hold a 50th anniversary reunion at commencement. Judge Edward Doocy of Pittsfield is acting as chairman of the committee. The other living graduates of the class are Dr. Charles G. Brown, of Ferrell, Idaho, Thomas A. Morrison, of Riverside, California, and Dr. Edgar D. Wing, of Galesburg, Ill. The ex-members of the class are Archibald A. Dod, of Independence, Mo., Frank Doster, of Topeka, Kan., and William T. Potts, of Wheaton, Ill. The men will bring their wives, and the widows of the deceased members will also be invited to the reunion.

The class of '96 has also definitely decided to hold a 25th anniversary reunion. H. H. Bancroft is acting as chairman of the committee. Several members of the class have already signified their intention of being present at the reunion. Both '71 and '96 will probably be strong competitors for the alumni reunion trophy which is awarded each commencement to the class which has present at the reunion the largest percentage of its living members.

The Sigma Pi Literary Society is planning to hold its regular Triennial reunion this commencement. Professor Frederick J. Fairbank '97, treasurer of Carleton College, has been appointed as a delegate to represent Illinois College at the inauguration of Dr. Lotus Coffman as president of the University of Minnesota.

William Calhoun '23 who underwent an operation recently has entirely recovered and is resuming his work at the college.

Mrs. Rammelkamp, Marie Thomas and Alma Shuman went to Normal, Ill., Saturday to attend a Y. W. C. A. cabinet meeting. The meetings will be held Saturday and Sunday.

Dean G. H. Scott, Miss Adelle McQuiston and Miss Suzanne Mayer all of the College faculty acted as judges at a contest in declamation and music at Palmyra during the past week.

Leo Allen ex '22 of Flora, Ill., was a visitor on the campus Thursday.

Russel Bronson ex '23 of Decatur visited friends in the city during the past week.

Professor George W. Stewart, head of the department of physics at the University of Iowa, gave a very interesting lecture to the faculty of the college on Tuesday. The subject of his talk was "The Development of Superior Students."

ILLINOIS WOMAN'S COLLEGE NOTES

Miss Earnestine Porcher, one of the French girls who was at the college two years ago, but who is now teaching at Henderson, Ind., has recently been elected to the position of head of the French department at the Eastern State Normal at Muncie, Ind., at quite a large increase of salary.

Miss Anna Canada of the department of expression will give a recital Friday afternoon, the 13th, at 4:15, in Music hall. All interested are cordially invited to attend this reading.

The students and faculty have been greatly interested in the work of the endowment, and are striving to reach the goal which they set for themselves the last Friday in April. The students are putting on many clever and ingenious stunts calling attention to the fact that the endowment fund is on and that they are all having a share in it.

The outstanding event of the coming week is the May Day pageant which will be held Monday afternoon May 9th, the weather permitting. A writeup of this has already appeared in the columns of this paper. The program will begin promptly at 4:30 o'clock. John Kearns, who has written the pageant, has been at a number of the rehearsals and has given in valuable assistance in working out the details of the pageant.

President Barker returned Friday night after several days absence from the city in the interest of the college.

Rev. Peter Finger of the Methodist Centenary, with headquarters in Chicago, was a visitor at the college Thursday morning. He was here to attend the District Conference of the Methodist ministers held at Grace church Thursday afternoon. At this meeting Professor Weber of the department of Bible and religious education addressed the ministers briefly in regard to the work of the college.

Miss Avis Crowder has been elected to the position of teacher of home economics in Mattoon, Ill. Four other students have received contracts and have been elected to fill positions in high schools, but have not fully decided in regard to the same.

The May Breakfast of the Jacksonville Woman's club will be held at Grace church at 11:30 Saturday, May 14th. All reservations must be in by noon Thursday, May 12th. Telephone Mrs. Ben Lurton, chairman.

FORMER RESIDENT DIES IN COLORADO

Word has been received by Mrs. Ellen Swales of North Prairie street of the death of Mrs. Catherine Robinson at the home of her daughter, Mrs. Kate Kramer, in Colorado Springs, on Thursday, April 28, after an illness of 4 years, being bed-ridden during which time she suffered three strokes of paralysis. Mrs. Robinson was 90 years of age, and will be remembered by some of the older residents of Jacksonville, where she formerly resided. She was the mother of Will W. Robinson, also formerly of this city, and where he has frequently visited at the home of his wife's mother, Mrs. H. M. Lansing on North Diamond street.

Winchester people who called in Jacksonville yesterday were: Misses Catherine Chance, Loretta Lashmet, Mary Doyle, Mr. and Mrs. Earl Welch, Mrs. Albert Hainsfurther, Mrs. Joe Grout and Mrs. Sam Smith.

Prettier Teeth Next Week

If you will now start this delightful test

This is to offer you a way to whiter teeth, cleaner, safer teeth. Such glistening teeth as millions now enjoy.

Your dealer will give you the means. Get it and watch the effects. See your teeth grow prettier—note how clean they feel.

Dentists everywhere advise this method. Millions of homes have adopted it. Try it this week, for your own sake. Learn what it means to you.

To remove the film

Your teeth are coated with a dingy film. It is viscous—you can feel it with your tongue. It clings to teeth, enters crevices and stays. It clouds the teeth and causes most tooth troubles.

The ordinary tooth paste does not effectively combat it, so the tooth brush has left much of it intact. As a result, teeth lose their luster. And, despite all brushing, tooth troubles have been constantly increasing.

The film is what discolors, not the teeth. Film is the basis of tartar. It holds food substance which ferments and forms acid. It holds the acid in contact with the teeth to cause decay.

Germs breed by millions in it. They, with

tartar, are the chief cause of pyorrhea. Many other serious troubles are also traced to them.

Science combats it

Dental science has long sought ways to combat that film. The ways have now been found. Able authorities have amply proved them. Leading dentists everywhere advise their daily use.

The methods are embodied in a new-day tooth paste—Pepsodent. It combats the film wherever it may linger. In this way it brings surprising results which one quickly sees. Over 5,000 new people daily are trying out this modern method.

Fights acids too

Pepsodent brings three other effects which authorities now desire.

It multiplies the salivary flow—Nature's great tooth-protecting agent. It multiplies the starch digestant in the saliva. That is there to digest starch deposits which may otherwise form acid.

It multiplies the alkalinity of the saliva. That is Nature's neutralizer for the acids which cause decay. Pepsin is also included.

Free

At your store this week

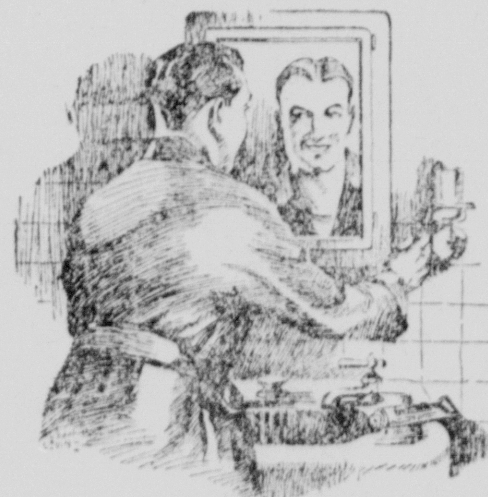

Your dealer will give you a 10-Day Tube of Pepsodent if you present the coupon at any store named below.

Do this for your own sake—for your family's sake. Watch how your teeth improve. The delightful effects will very soon convince you what is best.

Every application of Pepsodent brings five distinct results. And modern authorities consider all of them essential.

Now a world method

In many countries Pepsodent is fast displacing old teeth cleaning methods. Dental authorities the world over endorse it. Careful people must adopt it sooner or later, for old methods are not right. With them, tooth troubles and discolorments have become almost universal. A change must come, and now is the time to start it.

Quick changes come

The user of Pepsodent quickly feels conspicuous changes. One cannot doubt the benefits it brings.

Perhaps men who smoke see the most conspicuous effects. Their films are tobacco-stained.

Women see them in prettier teeth, for most film-coats are dingy.

But Pepsodent is most important to the children. Their teeth seem most subject to these film and starch attacks. Dentists advise that children use Pepsodent from the time the first tooth appears.

Present the coupon for a 10-Day Tube. Note how clean the teeth feel after using. Mark the absence of the viscous film. See how teeth whiten as the film-coats disappear. Watch the other good effects, and read the reasons in the book we send.

This ten-day test will be a revelation. It may bring to your home a new era in teeth cleaning. And the benefits to you and yours may be life-long in extent. Cut out the coupon now. Present it at your store.

Clark Jewel and Boss (Twin Lift) Oil Cook Stoves

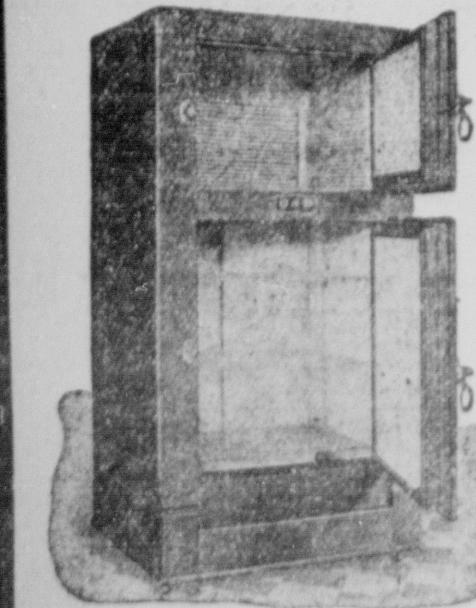

"Clark Jewel" carries the same meaning when speaking of Oil Cook Stoves as the word "Sterling" when speaking of silver. It is America's greatest oil cook stove value.

The "Boss" is of similar construction to the Clark Jewel, only equipped with burner that lifts from each side, which prevents the wick carrier from ever sticking.

WOODSON.

Father's and Mother's Day will be observed next Sunday morning at 10:30 o'clock in Unity Presbyterian church of Woodson. A very interesting program is arranged for and it is hoped as many parents as possible will be present. The Children's Day program is arranged for and we anticipate for that occasion the best service of its kind yet held in Unity. Dr. Humphreys writes the pastor will bring his lantern and show some 60 interesting pictures upon various phases of Presbyterian activities on Tuesday, May 17. Please keep this date in mind.

Unity Workers of Woodson Presbyterian church met in the church for their regular meeting. After a devotional service last month's committee gave a report of their work and also made plans for this month, a part of which was to gather the early contribution of eggs from the society's members and friends. Mrs. Morrow and Mrs. Hoagland gave a duet at the close of the meeting which was greatly enjoyed.

The next meeting of the society will be at the home of Mrs. C. D. Irlam.

NEW VILLAGE BOARD MEETS IN CONCORD

Newly Elected President and Trustees Inducted Into Respective Offices—Other Concord News Notes of Interest.

Special to the Journal.

Concord, Ill., May 6.—The Village Board met in regular session on last Monday night, when the newly elected President and Trustees were inducted into their respective offices. Wm. C. Brockhouse was sworn in as president, and C. E. Rexroat, W. H. Williamson and Eliza M. Harman as trustees. Walter McCarty was appointed to succeed himself as village treasurer.

The meeting was called to order by O. T. Hamm, the retiring president and after the usual routine the Gavel and Chair was tendered to the new president who took charge in his usual good manner.

E. M. Harman was appointed chairman of the street and alley committee, with Williamson and Rexroat as members, and the finance committee is composed of the following: Smith, Brewer and Crouse.

The annual report of the treasurer was presented, audited and approved. The treasurer showed receipts of \$5073.04 with a balance on hand at the beginning of the year of \$1487.09 and the expenditures were \$5729.02, showing a balance on hand of \$331.11 which together with this year's levy leaves the village in very good condition financially.

In the past year several important improvements have been made, the principal one being the drainage thru the low lands of

the town which cost the sum of \$2200 and which already has proved its worth. The board has contracted with the Arenzville Light Co. for 18 street lamps, three of which will burn all night and it will be another score for Concord when they are in operation which it is thought will be by the first of July when the high tension line will be built from Jacksonville to Arenzville, thereby lighting Chaplin, Concord and Arenzville. The contract price per year is \$405 and this will cost the small sum of about two mills on the dollar to maintain these lights.

There are several improvements that will be done this summer in the way of grading the streets and a few drains and concrete walks, and above all the street committee should consider the oiling of the streets here, not altogether for the benefit derived but we should keep pace with other villages not so large as ours. The road commissioner will oil in his territory beyond the city limits, and it would be beneficial if the board would co-operate and have it all done at the same time.

The retiring president, Mr. Hamm thanked the board in a very pleasant manner for the co-operation they had given him and hoped the new board and president would work in harmony and along the lines to a better town.

Mr. Helling of Canton was calling in town Thursday.

H. B. Rentschler wife and sister went to Jacksonville Thursday.

Mr. Walter McCarthy and her mother went to Beardstown for the week-end.

Would You Advise Me to Take Nuxated Iron?—I Am Weak

NERVOUS, and "ALL PLAYED OUT" after my day's work, but times are "hard" and money scarce and I do not want to spend a cent that is not absolutely necessary

in "hard times" it is more difficult to make MONEY and "GET AHEAD" than it is in good times, you, therefore, require MORE PHYSICAL AND MENTAL VIGOR, STRENGTH, and endurance in "hard times" to help you overcome the numerous difficulties, obstacles and stumbling blocks you are bound to meet

Now as to taking Nuxated Iron, what would YOU SAY a man should do if he is WEAK LEGS or no legs but had to get his feet by running after it—would you advise him to get a pair of good strong legs if he could do so? The case is exactly parallel but if YOU REQUIRE MORE BODILY AND MENTAL VIGOR to get ahead in "hard times" then isn't it good economy to purchase anything you can which helps make you stronger?

Many a man is struggling, trying hard to get ahead, but just as he gets a start something always seems to go wrong that sets him back, while another man with apparently less ability seems to get along famously with comparatively little effort—THIS GREAT DIFFERENCE in men may be due solely to the difference in their bodily and mental vigor and the AMOUNT of VICIOUS IRON IN THEIR BLOOD.

There are 5,000,000,000,000 RED BLOOD CORPUSCLES in your blood and each one must have iron. Without IRON YOUR BLOOD LOSES ITS POWER TO CHANGE FOOD INTO LIVING CELLS AND TISSUE and nothing you eat does you the proper amount of good—You do not get the full strength out of it.

Indoor life, overeating, household drudgery, griping, getting weary and nervous strain are robbing the iron and thereby the very life, from the blood of thousands of men and women.

We do not advise what to do in individual cases as this is the province of the physician but we do say that if you lack sufficient iron in your blood to give you the strength, energy and

PAIGE

The Most Beautiful Car in America

The Qualities of a Champion

World's Championship form is the best guarantee of all 'round efficiency that the sporting world affords. That is the real significance of our great victory with the Paige "Daytona" 6-66 model on January 21st.

When this car won the world's stock chassis record by traveling at the rate of 102.8 miles per hour it proved itself, not merely a fast car, but a superlatively fine engineering achievement.

You can establish this fact for yourself by riding in any Paige 6-66. Then, at a mere snail's pace or with the throttle half open, you will sense the finely balanced construction and immense reserve power that is basic and fundamental.

We invite you to test the 6-66 and compare it with any other car—at any price—on the American market. If you once know that exclusive power plant you will know the Paige story as no words can tell it.

PICNIC GIVEN AT JORDANVILLE SCHOOL

The term closed at the Jordanville school west of Prentice Friday with a picnic dinner and a good program by the pupils. There were over seventy present and it was a very pleasant day for all who attended.

Miss Anna Brown has been the teacher for the past four terms and it was with much regret that the children learned she will not be with them for another term.

To following pupils received prizes for perfect attendance during the term: Helen Newell, Frances Allen, Aileen Allen, Chester Winner, Gladys Means, Etha Spradlin, Ina Spradlin, Caryl Hart, Bernice Batterton and Bernice Shafer. Each received a prize for excellent records in their spelling class.

HOME FROM THE SOUTH

Mrs. R. E. Pelham has returned to her home in this city after spending the winter in Miami, Fla. She reports a very pleasant time and likes that part of the country very much, says its "just fine." Mrs. Pelham is contemplating a visit with her daughter, Mrs. Schirz and family in Great Falls, Mont. in the near future.

Miss McQuiston and Miss Taylor of Illinois College will spend the week-end with Mr. and Mrs. E. E. Hart at their country home in Sinclair.

WHITE HALL AFFAIRS IN EXCELLENT SHAPE

New City Administration Now Functioning in a Way That Promises Well—Search for Thieves Unsuccessful—Other News Notes.

White Hall, May 5.—Conference, a regular session and a recounting of performances now finds the new city administration under Mayor H. W. Roodhouse functioning in a way that promises well. The makeup of the new city council is as follows: Mayor, H. W. Roodhouse; alderman, first ward, H. W. Galluly, V. T. Win-

ters; second ward, C. A. Whiteside, George Staples; third ward, Alva Waltrip, H. L. Dugger; clerk, R. E. Barnett; treasurer, Alonzo Ellis; police magistrate, Francis Fowler.

The appointive offices have been filled except night policeman and park commissioners, as follows: City marshal, T. E. Conlee; superintendent of streets, Elmore Dean; oil inspector, R. E. Singleton.

The committees are as follows: Finance, Galluly, Whiteside, Dugger; sanitary, Waltrip, Dugger, Staples; streets and alleys, Staples, Waltrip; water, Winters, Galluly, Whiteside; fire and police, Whiteside, Waltrip, Winters; claims, Dugger, Staples, Galluly.

The exact condition of the city treasury was not determined. Owing to illness this officer did not make a report this week, and a number of bills allowed at this time will enable the next report to cover the situation most thoroughly. The outgoing administration lays claim to leaving the city finances in better condition than any preceding administration, and interest centers on the exact showing, which will be disclosed at the regular June session.

Mayor Roodhouse expresses the wish that all political animosity will be laid aside, and that all citizens will co-operate in offering suggestions and otherwise promoting the best interests of the community. He is outlining a program of street and road work, and expects to install a storage tank for receiving road oil and making it available for use at the most favorable seasons for oiling. In this respect he is patterning after the city of Roodhouse. The administrations of those two cities were never more closely allied than at this time. Mayor Roodhouse and Mayor Alexander, the latter of Roodhouse, have exchanged felicitations, and they will have a conference soon to determine if there are any lines that may be followed to effect a more cordial understanding between the two neighboring cities, whose interests are interwoven closely in social, commercial and other ways. It is declared that both mayors were recently elected by larger majorities than ever before recorded for these officials in either Roodhouse or White Hall, and both are just anxious to make their administrations of the greatest measure of achievement.

Township Receives Government Truck.

A party of White Hall township officials, including J. N. Schler, supervisor; John Wood, highway commissioner, and Frank Greer, clerk, went to Springfield today to bring back a two-ton Nash quad truck that had been allotted to White Hall township by the government. The town board made an initial payment of \$175, and for an additional \$500 had the truck mounted with a tank and force-feed oiler by a Springfield concern. This equips the township with oiling apparatus, and the board offers to grade and oil all roads in the township on condition that the residents furnish the oil. Clerk Greer states that the people of Apple Creek Prairie, southwest of the city, have already contracted for six cars of road oil, and that all indications are that the township road oiler will be a busy piece of machinery henceforth during favorable weather for road oiling.

Bloodhounds Search for Thieves.

After searching all day Wednesday the bloodhounds gave up the scent for the thieves who entered the store of Lowenstein & Sons some time Tuesday night and took a quantity of hardware, including two Remington rifles, a bunch of Ingersoll watches, razors and flashlights. Mark Lowenstein, head of the firm, estimates the loss at \$150, but admits that he may not have a full check on it. Entrance was effected through a window, and the burglary was not discovered until Clerks McFarland and Thurman opened the store Wednesday morning. An effort was made to preserve the tracks for the bloodhounds, but this was unavailing.

The ice chest at the home of Mrs. Cora Winn on East Sherman street was looted; the thieves even making away with the dishes that Mrs. Winn placed at a high value for sentimental reasons.

There has been considerable deviltry and petty thievery in recent months, and the citizenship is thoroughly aroused to stamping it out.

Public School Teachers Employed

All positions in the White Hall public schools have now been filled, except three positions in the high school, according to a statement by H. W. Shirley, secretary of the board of education. The positions not filled are domestic science and chemistry, manual training, language, but that the latter place has been tentatively filled. The positions of superintendent and principal have been combined at a salary of \$3,000 per year, eliminating one high school instructor. R. G. Smith is retained as the head of the schools in this dual capacity. This action will make it more convenient in case the board of education of the community high school should begin to function in the midst of a school term, in which event Miss Ruth Evans as grade principal and departmental would be left at the head of the White Hall district school. The other high school instructors employed are George Piper, history, \$1,400; Clara Lindsay, science, \$1,500.

In the grades the salary of Miss Evans is fixed at \$1,700 per year. The grade teachers are placed on a monthly rating as follows:

Pearl Mitchell, \$110.
Lena Giber, \$110.
Irene Barnett, \$105.
Fifth Grade—Mary Evans, \$100; Mary Callans, \$95.
Fourth Grade—Ethel Wendell, \$85; Nellie Giber, \$90.
Third Grade—Della Hudson, \$100; Naomi Hudson, \$100.
Second Grade—Corr Walker, \$90; Ethel Wanken, \$80.
First Grade—Rue Perry, \$115; Jessie Ross, \$105.

Basements Flooded.

White Hall, May 5.—Ditchers have become a very busy set as the result of the recent rains flooding cellars and basements. The amount of seep water is unprecedented, and cellars and basements all over town have been flooded. Every weak place in a drain seems to have come to light. Like reports also come from the rural districts. At the home of Mrs. Laura Pritchett on West Bridgeport street it was found that in the laying of a main a drain from her basement had been cut in two and left in that condition some years ago. The recent rains flooded the basement to

such an extent that the furnace fire was extinguished, and it was four days before the trouble could be located. Then the city took over the work with the view of rectifying an oversight of some inspector paid by the city at the time the main was laid to see that the work was carried out properly. Mrs. Pritchett's claim against the city will probably be amicably adjusted.
